

5 Great Resources Every Community College Student Needs

1 Wikipedia List of Community Colleges

https://en.wikipedia.org/wiki/List_of_community_colleges

A list of community colleges, most with links to the college's website.

- Find a community college near you
- Get to the official website
- See how and when to apply, classes and degrees offered

2 Occupational Outlook Handbook

<https://www.bls.gov/ooh/>

Easy to read reports on every job.

- Use the facts to help you pick the best career for you
- See job duties, work environment, pay, job outlook, and more
- Find your way to help people

3 FAFSA (Free Application for Federal Student Aid)

<https://fafsa.gov/>

Get Help Paying for College

- Submit a free application
- See due dates
- See the guidelines for who qualifies (more people than you think!)

4 Khan Academy

<https://www.khanacademy.org/>

Free, world class education for everyone by video lessons.

- Video tutorials on specific concepts and skills
- Massive coverage of science and math

- Good variety of other topics, too

5 Empower Your College Life

<https://www.ghunterhanks.com/free-lesson>

- Watch video lessons on study skills, communication, academic culture, and more
- Work smarter not harder with advice from veteran teacher
- Join a community of like-minded students
